Upcoming Events
- October 10 MV Museum visit
- October 17 First Grade Field Trip to Thimble Farm
- October 18 Picture Day
- October 23, 24, 28 Parent/Teacher Conferences Noon dismissal

Our Learning
Beth Seabourne (West’s mom) from the MV Museum joined us today to discuss the oral history of Martha’s Vineyard farmer, Sarah Jenkinson. This kicks off our Unit on “Farming Then and Now”.
On Wednesdays, we have S.T.E.A.M (Science, Technology, Engineering, Art, Math). This week we built a tower out of apples and toothpicks. We had to engineer a strong, tall tower to hold a wooden block! Lots of planning and negotiating within our groups.
We had our fire safety assembly with the West Tisbury Fire Department. We also got to go outside and explore their fire truck! In Math, we are creating number bonds with snap cubes and dice.
On October 17th we will be gleaning at Thimble Farm. Please dress for the weather.

Home-School Connection
- We are collecting large yogurt containers and Talenti ice cream containers. Please send them in!
- L.L.I. reading groups have begun. Please return your book bags everyday. Many Thanks!
- Have a wonderful long weekend! Amy & Mila
