Register your student on Powerschool

School Picture MAKE-UP day is on November 12

School Banking is on Wednesdays

Our Learning
First graders continue to practice the tapping strategy to spell and read CVC (consonant-vowel-consonant words). We learned that the tapping strategy cannot be used to sound out trick words (that’s why they are tricky!). We continue to practice our letter formation. In math, we finished Chapter 3: Addition and will begin Chapter 4: Subtraction on Tuesday. In our S.T.E.A.M. class this week we learned about electrical circuits and solar energy.
