

CHAPERONING and/or VOLUNTEERING at The West Tisbury School

Many West Tisbury School parents and guardians volunteer in the classroom or at other school events and activities, as well as chaperone field trips. We encourage and welcome your involvement! If you anticipate joining in, you must take care of the following before you will be considered.

CORI FORM:

To volunteer or participate with our students in any manner, parents/guardians must have completed and submitted a CORI form through the Superintendent's Office.

A CORI form can ONLY be obtained from the Superintendent's Office. You MUST go to the Superintendent's Office with a current photo ID to complete the process right there.

FINGERPRINTING:

To volunteer for any OVERNIGHT school trip or activity, you MUST be fingerprinted. **Fingerprinting is ONLY available at the Superintendent's Office and by appointment ONLY.**
