AFTER-SCHOOL PROGRAMS AT WEST TISBURY SCHOOL

TO SIGN UP EMAIL: CONTACT@MELISSAKNOWLES.ORG OR
ARALPH@MVYPS.ORG

FREE FOR WTS STUDENTS, BUT DONATIONS ACCEPTED TO OFFSET COST

Mondays 2:45pm - 4:30pm : Music at Windemere!

This program brings together seniors and children through shared music-making. We will meet at WTS, and visit the residents at **Windemere Nursing Home** and Rehabilitation Center each week to sing with the residents.

The repertoire is based on songs seniors have grown up with, and so can recall more easily. Often these songs bring to mind long-forgotten memories, and are able to connect individuals in a meaningful way. The focus behind the program is to help each participant share their natural musicality for the mutual benefit of the group. No experience is necessary, just an interest in having fun and helping others through music! PERMISSION SLIP NEEDED FOR THIS PROGRAM.

Thursdays 2:45pm - 5pm : Art and Photography

This program provides opportunities for children at West Tisbury School and the seniors at Windemere to correspond to each other through art, photography and writing, including poetry & hand-written letters. Children will also have the opportunity to discover their individual creativity through intuitive and child-led learning experiences. We'll journey through history and uncover our ancestors' art, exploring the pre-historic caves where art began, to the first photographs ever taken, through to Abstract Expressionist artists such as Jackson Pollock. No experience is necessary, just an interest in having fun and creating art with others!

Starts soon grab your spot!
